

Ho. Turner
The ShriII
E173, 2014

All tracks composed and recorded on Compact Cassettes between ca. 1983 and 1990 by Ho. Turner (1948–2012), using the Kawai Synthesizer-100F, the Fricke MFB-501 drum machine, Tibetan bells and other metal percussion, bongos, field recordings and found sounds. A4 and B2 were edited by Ho. Turner and Marc Behrens in 1990. B2 was originally published on the compilation cassette German Noise (Animal Art aa004, 1990).

Edited and produced by Marc Behrens for Entr'acte 2014.
